### Synopsis

On 7-2-2015 at approximately 4:30am, homicide investigators were requested by TPD to respond to DCH in reference to a possible sexual assault. Investigators spoke with the victim, who stated that she remembers being at Innisfree Pub playing trivia with several of her friends. At some point she left and doesn't remember leaving. She said that she remembers being in the car with a subject that she knows as "Sweet T". They end up at Sweet T's residence off of Cedar Drive and she said that he had sex with her. She advised that when he rolled over and went to sleep.

The victim got up and tried to leave the bedroom, but couldn't get the door open so she climbed out of the window. The victim called a friend and they came to pick her up.

During the course of this investigation, several videos were pulled, the victim and suspect were interviewed. It was found no sexual assault occurred and investigators were able to determine that the victim went with the suspect willingly after they took her home to Houndstooth Apartments. After speaking with the DA on the case, she advised that the elements of rape were not met.

Investigators called the victim and left a message to have her contact us. DA Lyn Head returned the call the victim's father and he advised that he didn't want investigators to contact his daughter anymore.

Investigators were contacted by an attorney in Birmingham saying that he represented the victim and didn't want us to talk with her unless he was there. He explained that he wasn't sure why we weren't pursuing charges and arresting the suspect. Investigators explained that there was probably more to the story than he has heard.

This case is being presented to grand jury.

## Case Report for 20150702471

On 7/2/15 at approximately 5AM investigators were contacted by TPD and asked to respond to DCH in reference to an alleged sexual assault. Investigators arrived at DCH and stood and Inv. Jones obtained a recorded audio statement from the victim. The victim told investigators that she did not think the suspect was going to let her leave his residence until she had sex with him. The victim stated she had sex with the suspect and that she never told him to stop or showed any form of earnest resistance.

The victim stated she was locked inside the residence and couldnt get out. The victim crawled out a bedroom window onto the roof. The victim stated she called a cab to pick her up. She also called some of her friends. The cab arrived around the same time the victims friends arrived so the victim paid the cab driver and left with her friend. The victim stated that she grabbed some keys that belonged to the suspect as she left the residence. A pair of keys was left behind in the cab the victim called to the scene. Investigators made contact with the cab driver and he told investigators that he had the keys and agreed to speak with investigators at homicide.

Investigator responded to the scene and made contact with the suspect. The suspect asked investigators to come into his residence. Investigators obtained written consent to search his residence and take photos. Investigators asked the suspect if he had come home with a female, but he stated that he had not. While investigators were taking photos of the scene investigator Jones heard a window shut inside the residence. Investigators confronted the suspect about the window and he advised that he wanted to speak with his attorney Jason Neff.

Investigators left the residence but returned a short time later. Investigator made contact with the suspect again and asked that he and his friend (Barksdale) exit the residence until a search warrant could be obtained. Investigator received a call from Jason Neff and advised Neff that investigators were going to obtain a search warrant for the residence. Neff stated that he understood and that he and the suspect would come speak with investigators on Monday. The suspect stated that he was leaving town for the weekend for a pre planned trip.

Neff spoke with the suspect by phone and the suspect gave investigators written consent to search his residence. Investigators processed the scene and collected the suspects bedsheets. Investigator also located the victims vehicle (white Mercedes) parked in the driveway. Investigators located a spent .380 shell casing in the drivers seat. Investigator asked the suspect about the shell casing but he stated that he had not fired a weapon. Investigator also located a black holster in the center console; there was no gun located inside the car.

Investigators did not locate the victims shirt or keys inside the residence. The suspect gave investigators a statement; the victims friend (Barksdale) also gave investigators a statement at the scene. While on scene investigators located some paperwork in the roadway a short distance from the suspects residence. The paperwork belonged to the suspect. The suspect told investigators he believed the victim stole one of his credit cards and several hundred dollars in cash. A short time later investigators were contacted by the suspect and he stated that his .380 Ruger was missing from inside his vehicle. The suspect stated he is certain the gun was in the vehicle the night before.

The victim said she went into the suspects car to look for her keys. She found the gun in the center console. When she pulled the gun out, it went off. She said she wasn't intentionally trying to shoot anything. The victim was sitting in the drivers seat and had the gun out of the holster when it went off. It wasn't aimed at anything. It went off towards the house.

When she went back into the house, she said that she went through the suspects pockets to see if he had any cash. He had \$3. She was going to use it to pay the cab, but used her own debit card. As the cab was pulling off, her friend pulled up and she rode with her friend.

As far as being at the suspect's house, she didn't want to be there, but she didn't feel like she was in

danger. She felt that she made it clear to the suspect that she didn't want to do anything with the suspect. The victim said that she was pretty sure that she wasn't going to prosecute. She said she wants to move on.

A couple of weeks later, Investigators received a letter from an attorney in Birmingham saying that he was representing the victim. He said that based on what he had heard (from the victim and her father) that he didn't understand why we weren't pursuing charges. Investigators explained that there may be more to the case than what he was told and also explained that he would not be getting any of the case file unless it was subpoenaed.

<b>ADDITIONAL INCIDENT/OFFENSE NARRATIVE CONTINUED</b>		7B Date and Time of Report <b>07/02/15</b>	7C AM <input type="checkbox"/> PM <input checked="" type="checkbox"/> MIL	81 Case # <b>150702030</b>	81 Suffix
82 Type Report: <input checked="" type="checkbox"/> 1. Continuation <input type="checkbox"/> 2. Follow-up					
<b>NARRATIVE</b>	<p>both of which she apparently had in her control at that time, on a table in the bedroom. She stated Bunn then instructed her to get on his bed. Again, she stated she did not want to do this, but she felt as though she had to. It should be noted that she stated she had neither verbally nor physically refused Bunn's advances at this point. She stated Bunn then undressed her and performed oral sex on her. She stated he followed this up by engaging in vaginal intercourse with her. She stated at some point during all this, she verbally informed Bunn that she did not want to have sex with him and that she needed to rejoin her friends at Innisfree. She stated Bunn ignored these statements and continued to engage in intercourse with her. She stated Bunn never physically forced himself on her, although he did place his hands on her hips and hold her down at some point. She stated Bunn continued having intercourse with her until he ejaculated, although she could not be certain where he ejaculated. She stated Bunn then rolled over and went to sleep in the bed where they had been having sex. She stated Bunn had not used a condom during intercourse.</p> <p>She stated once Bunn was asleep, she felt it was safe to leave the residence. She stated she got out of bed, put on one of Bunn's shirts, and attempted to leave the bedroom. She stated she sent texts to multiple friends. She stated these texts contained language such as "please please please come get me", "Help me, Please.", and "Please come get me, I'm crying". She stated she then attempted to open the door she had utilized to enter the bedroom earlier in the night, but that she was unable to unlock it. She stated she could find no other exits from the room. She stated she tried to wake Bunn and ask him how to leave his room, but that he simply rolled over and continued sleeping. She stated she located a set of keys in a dish on a table in Bunn's room, so she tried to unlock the bedroom door with these keys. She stated none of the keys unlocked the door. She stated she opened an exterior window in the bedroom and climbed out onto the roof. She stated she then climbed down onto a fence and eventually onto the ground. She stated she continued calling and texting friends, asking them to pick her up. She stated she also called a taxi to retrieve her. She stated after calling a taxi in Atlanta to pick her up, she eventually located the phone number for an unknown taxi in Tuscaloosa, which drove to her location to pick her up. She stated this phone number was 205-210-8816. It should be noted I was unable to locate a match for this phone number. She stated she was about to leave in the taxi when a friend of hers, to whom she had sent earlier texts requesting help, arrived to retrieve her. She stated this occurred at approximately 0200 hours. She stated she paid the taxi driver for his time and he left the scene. She stated she then realized her keys were still inside Bunn's residence. She stated she located a cooler and a trash can outside his house, so she stacked them on top of each other and re-entered the residence through the window from which she had earlier escaped. She stated she was unable to locate her keys and that, as of this report, they were still inside Bunn's residence along with a grey t-shirt she had been wearing earlier in the night. She stated she again exited the residence and her friend drove her to DCH, where I made contact with her at approximately 0430 hours after one of the emergency department nurses alerted dispatch to the incident. She stated she received a text from the taxi cab driver while she was on the way to DCH. She stated the purpose of this text was to inform her that she had left a large key ring full of keys (the keys she took from the tray in Bunn's bedroom) inside the cab. She stated these keys were still, as of this writing, in the possession of the taxi driver. She did, however, have a single Ford vehicle key, which she stated belonged to Bunn. DCH began a "rape kit" on Rondini. I apprised Sgt. Frost of the incident and he made contact with the Homicide Division. Inv. A. Jones responded to DCH, interviewed Rondini, and took over the investigation. The statement forms, the Ford key, and the completed rape kit were turned over to Inv. Jones at DCH. Inv. Jones stated he would follow up on the investigation.</p>

--synopsis--

Victim advised that she was at East Edge Apts with Amy and Bridgette. They went to a house on Bryant Drive and then her friend Sammy drove them to Innisfree. There were 6 of them in the car. They got to Innisfree about 8:30pm. They sat in the archway close to the bar. She saw the suspect in the bar and recognized him from meeting him at Thanksgiving 2014. She knows him as Sweet T. They didn't talk at all. She knew him, but wasn't on a speaking term. At the end of trivia, all of her friends started leaving. During the time that she was there, she had about 6 beers. She poured her own drinks. She doesn't remember leaving. She remembers being on the patio area, but doesn't remember leaving by herself.

At some point she got in the car with the suspect. She remembers being in the car around Denny Chimes/ Rose Administration area. She remembers telling the suspect that she liked animals and told him that she wanted to be a vet. He told her that he had a room at his house full of animals. She thought at first that he was going to drive her home. Once she got in the car, she doesn't remember making any other stops. She couldn't tell you how to get to the suspect's house, but that is where they went. She said that the suspect was drunk and driving and it was concerning her so she was watching him drive. She never text any of her friends while she was in the car. She didn't call anyone till after it happened.

When they pulled up at the suspect's house, she didn't say anything. She didn't want to be rude. She thought that he was going to show her the animal room and then they were going to leave. She said that she sent at least 10 group text to friends to have them come get her.

When they were inside, he told his friend to go to bed because he was making comments to her about her legs and he was really drunk. His friend went to bed and then he told me to go to his bedroom. Me and his friend walked up the stairs and went in the same general direction. He went to a guest bedroom and she went to the suspect's bedroom. She sat in a chair away from the bed. She was in his bedroom about 10-15 minutes by herself before the suspect came in. When he came in he asked me to come sit on the bed and she didn't want to and made comments about wanting to have sex. He tried to kiss the victim and told him that she needed to leave. She said that if she just let him do whatever that she could leave. She said that she didn't even face him when they had sex. He pulled the victim's shorts over to the side, but he did take her shirt off. She never said anything to him, she just never looked at him. When she said that she needed to leave, he never responded and so she just let him have sex with her.

He was wearing a condom and when he finished, he rolled over and passed out and that is when she got her shirt and tried to leave. She said that there was like 6 doors and she couldn't get out. At that point she said she started panicking and that is when she sent out the text messages to her friends. She found a key ring belonging to the suspect to try and see if any of the keys would fit in the door, but none did. She took the key ring. She checked all the windows until she found one that led to a flat roof. She got out the window and onto the roof and from the roof to a metal gate and then onto the ground. She got into the street and called a cab and tried to call friends. Her friends didn't respond. While she was standing on the street, she realized that she had left her keys, so she tried to go back into the suspect's residence by using the keys from the key ring that she took, but couldn't make entry so she went back to the iron fence that she used to climb down and stacked up a cooler and trash can and went back in his room. She couldn't find them so she got back outside and looked for her keys in the suspect's white Mercedes. While she was in the suspect's car, she found a pistol and put it in her shorts. While she was standing on the side of the road she left the gun lying in the grass.

After miranda:

She said that she went into the suspect's car to look for her keys. She found the gun in the center console. When she pulled the gun out, it went off. She said she wasn't intentionally trying to shoot anything. The victim was sitting in the driver's seat and had the gun out of the holster when it went off. It wasn't aimed at anything. It went off towards the house. When she went back into the house, she said that she went through the suspect's pockets to see if he had any cash. He had \$3. She was going to use it to pay the cab, but used her own debit card. As the cab was pulling off, her friend pulled up and she rode with her friend.

As far as being at the suspect's house, she didn't want to be there, but she didn't feel like she was in danger. She felt that she made it clear to the suspect that she didn't want to do anything with the suspect.

The victim said that she was pretty sure that she wasn't going to prosecute. She said she wants to move on.

I was at Innfree, I knew) who "Sweet Tea" was from Thanksgiving '14. He did not acknowledge me at the bar but I knew who he was, I remember driving in his car him driving with another person named Jason. We arrived at "Sweet Tea's" house in his hunting room where he told me to wait him in his bedroom. I went to his bedroom and waited for him on the couch near his closet door where he came in and wanted to have sex. I told him I needed to leave and see my friends but he insisted and he had vaginal intercourse with me until he finished and went to sleep. Afterwards I tried to leave but all the doors were bolted shut and he refused to show me out. Then I climbed through his window onto the roof and down to the ground where I called my friends. I returned once to try and get my keys but I could not find them and went back down to wait for my friend. My friend picked me up at ~2am and took me to DCHU

I searched thoroughly for my keys but could not find them. I jumped back down and went to look while looking in the car I found a gun and kept in the white Mercedes to see if I left my keys. So I paid the taxi fare or my friend. Both arrived at the same time after the taxi or my friend. Both arrived at the same time for the fare. I went back out of the road to walk home. We drove to her apartment and she convinced me from there to go to DCI.

#### SYNOPSIS

Me and Barksdale were driving down University Blvd when we saw a female walking down the road. I had seen her before but I'm not sure where. I stopped and asked her if she needed a ride and she got into my car, a white Mercedes. I drove her back to her residence at the Houndstooth and me, her and Barksdale went inside. She fixed us some drinks and when we got ready to leave she said she wanted to go with us.

We drove back to my house and Barksdale went to a guest room and me and Megan went into my bedroom. We have consensual sex, she was on top of me while we had sex. She never said no and never asked me to stop. I did not wear a condom and I did not ejaculate inside of her. I fell asleep and the next thing I remember is homicide knocking on my door waking me up.

I did not know that one of my windows was open until the cops asked about the girl going out of the window. I went through my pants pockets and discovered that some money and some keys were missing. I also noticed that my gun was missing from my car and I knew for certain that it had been in there the night before.
